

Nikel[®], cosmetics with signature.

Mirjana Brlečić, M. Pharmacy

The latest **NIKEL[®]** product from the **Nikelift** line an **anti-wrinkle serum** for the eye area and mimic wrinkles in the lip area with **plant stem cells** of the Swiss apple variety *Malus domestica*. Launched as a **serum of skin cell youth**, it protects and preserves cells, delaying the emergence of wrinkles, and visibly smoothing existing ones. A single drop is enough, applied gently in the morning and evening in the area around the eye and the mimic wrinkles around the lips. For maximum effect and complete care, gently apply **NIKEL[®] Anti-Wrinkle Elixir** to the entire face before applying the serum.
